

Don Berwick

Democrat for Governor

You Are Invited to Meet Don Berwick Sunday, July 20 at 5 o'clock

**At the home of Leslye Heilig and Lou Davis
32 Benton Avenue, Great Barrington
RSVP at http://www.berwickforgovernor.com/event_GB**

Don Berwick will greet people at this informal gathering, where you can come to show your support, or get to know more about Don's candidacy.

Dr. Berwick's life has been one of service, including a stint as head of the Center for Medicaid and Medicare Services (CMS).

Top priorities in a **Berwick** Administration would include:

- **Job creation and economic development:** key issues facing our country and our Commonwealth
- **Education:** the cornerstone of a successful Commonwealth
- **Healthcare:** For 30 years, Don has worked to improve care for all. Don knows what good, patient-centered care looks like, and understands the need for a better payment system. He is the only candidate in this race to advocate for Medicare for All (single-payer).
- **Environment and Energy:** Don envisions a carbon-neutral world, and has come out strongly against the Kinder-Morgan (TNG) pipeline.
- **Improving** the lives of people with disabilities, the LGBT community, and other groups that have been marginalized in the past
- **Ending** homelessness
- **Reforming** our criminal justice system
- **Casinos:** Don is the only candidate to support repeal of the casino law.
