**Alford 2020 Annual Town Meeting**

**NEW: Consent Agenda for Articles 1 through 10**

This year, in order to simplify the voting and shorten the Meeting, we will consider Articles 1 through 10 in what is known as a Consent Agenda. These Articles are thought to be non-controversial, although any voter has the right to object to, or to raise a question about, any of these Articles.

It has been customary in our Town for the Moderator to read each Article before requesting a relevant motion. This tradition probably dates back to the days before there were copy machines. Today, everyone will have a copy in front of them (or on their mobile device), and the reading is not necessary. In order to save time, we will forego this tradition for this Meeting.

If any voter has any motion or any amendment or alternative to a motion being made, as outlined here, that motion or amendment must be submitted in writing to the Moderator in advance of the Meeting, unless such an amendment is a simple change, such as in the amount of money being requested.

The Moderator will read aloud the Article numbers. Anyone wishing to object, or to ask a question, will raise their red voter card, and a "Hold" will be placed on that Article. After all ten numbers are recited, we will go back to any that have been held to see if the hold is an objection, requiring debate, or a question. If a question, the Moderator will seek an answer. If an objection, the Article will be removed from the Consent Agenda and handled separately.

For the Articles remaining on the Consent Agenda, the following Motion will be made. For any article(s) removed from the Consent Agenda, the appropriate Motion(s) will be selected from the list below.

Consent Motion: I move that the Town accept the Motions for Articles 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10; as listed in the Motion Booklet prepared for this Meeting.\*

\* this motion may be modified, to exclude any Article(s) for which a separate vote is required

ARTICLE 2. I move that the Town accept any and all funds being provided by the Commonwealth of Massachusetts Division of Transportation (Mass DOT), under the provisions of Chapter 90 of the Massachusetts General Laws, to pay for such costs as allowed by appropriate legislation in connection with the maintenance, repair, and construction of Town ways and bridges.

Our final Article (11) contains the budget, and will be handled in a similar ["Consent"] fashion, as we have traditionally done. For this Meeting, however, the Moderator will read only the line numbers, and not the account names and amounts. That information, again, is contained in the Warrant, and every voter should have a copy of that.

After dealing with any "Hold" items, the following motion will be made, adjusted, if necessary, for any line items voted on separately:

ARTICLE 11. I move that the Town raise and appropriate the amounts needed to defray the charges and Expenses of the Town described in the Feature Accounts in the Warrant for this Meeting, including the salaries of the Town Officers and Employees for FY 2021.
